alacra BOOK

Alacra Book is a powerful first-of-its-kind-publishing tool that electronically compiles company and industry specific data from a variety of premium database sources and packages this information into a single document, ready to print, email, or view.

Alacra Book is used by investment banks, professional service firms, consultancies, law firms and corporations in their daily preparation of Public Information Books (PIBs) or Briefing Books. A task that has traditionally taken analysts hours of manual effort can now be completed in less than ten minutes!

Types of data available in Alacra Book:

- Company news
- SEC filings
- Scanned images of annual reports
- Earnings estimates
- M&A profiles
- Shareholding data
- Credit and investment research
- Company home pages

Premium content publishers include:

- Thomson Reuters
- Factiva
- Moody's
- S&P
- Fitch
- Factset
- D&B
- Morningstar
- Mergermarket Intelligence
- MSCI/Barra
- Economist Intelligence Unit
- Datamonitor
- Perfect Info
- ICC Information Ltd.

KEY FEATURES AND BENEFITS
