

SERVICES AND SOLUTIONS

Alacra helps find, organize and present the critical business information required to execute transactions, manage client engagements, perform due diligence and research business opportunities.

ALACRA BOOK

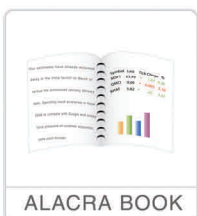

Alacra Book is a powerful first-of-its-kind-publishing tool that electronically compiles company and industry specific data from a variety of premium database sources and packages this information into a single document, ready to print, email or view.

Alacra Book is used by investment banks, law firms, professional service firms, consultancies, law firms and corporations in their daily preparation of Public Information Books (PIBs) or Briefing Books. Building these books, a task that has traditionally taken analysts hours of manual effort, can now be completed in less than ten minutes!

Types of data available in Alacra Book include: company news, SEC filings, scanned images of annual reports, earnings estimates, M&A profiles, shareholding data, credit and investment research and company home pages. Premium content publishers include Thomson Reuters, Factiva, Moody's, and Factset.

Since its release in 2001, Alacra Book has been continually enhanced to meet the needs of our customers. Today, you can build an Alacra Book on all global public companies, issuers of public debt as well as more than 100 industries. Your Alacra Book can be delivered right to your desktop within minutes, in a PDF, Microsoft Word or PowerPoint format.
