alacra CONNECTIONS

Alacra Connections provides Corporate Executive and Corporate Board of Director information on over 30,000 companies around the world. The service integrates "people" data from multiple sources to provide complete biographical information for over 400,000 executives and board members, including non-profit affiliations.

Alacra Connections clients make better business decisions by understanding a director's role within a company and his/her interlocking directorships with other companies. Understanding the nature of these relationships provides an opportunity to avoid a potential conflict.

Alacra Connections lets you easily evaluate business leaders by providing a snapshot of their:

- Career history
- Education
- Compensation information
- Other directorships

Key Benefits

- Uncovers "degrees of separation" for sales, marketing and conflict checking purposes.
- Integrates and maps data from multiple sources including Board Member Inc., and Hemscott.
- Helps identify potential opportunities by tracking the corporate and non-profit associations of your known contacts.
- Facilitates reports linking people to positive and adverse news, as well as the corporations with which they are affiliated.

alacra

Alacra develops workflow solutions that enable 300,000 end users at financial institutions, professional services firms and corporations to search for, extract, match and analyze mission-critical business information.

Alacra has under license the largest collection of premium business information in the world and continuously collects business data and financial events from a hand-curated universe of 3,000+ web-based sources. Alacra aggregates and filters this content; each configuration offers users a single point of access to disparate information sources. Bespoke applications keep Alacra's clients up-to-date on their customers, prospects, investments, competition, partners and suppliers, driving business development and streamlining operations.

Alacra's mission is to aggregate, integrate, package and deliver business and financial content in ways that are most useful to our clients, which include nine of the top 10 global investment banks, all four major accounting firms, and nine of the top 10 consulting firms.
