Description: AllianceBernstein is a leading global investment management firm that offers high-quality research and diversified investment services to institutional clients, individuals and private clients in major markets around the world. AllianceBernstein employs more than 500 investment professionals with expertise in growth equities, value equities, fixed income securities, blend strategies and alternative investments and, through its subsidiaries and joint ventures, operates in more than 20 countries. AllianceBernstein's research disciplines include fundamental research, quantitative research, economic research and currency forecasting capabilities. Through its integrated global platform, AllianceBernstein is well-positioned to tailor investment solutions for its clients. AllianceBernstein also offers independent research, portfolio strategy and brokerage-related services to institutional investors.
